Baseball Coaching Requirements

To Associations and Clubs,

Baseball NSW endorses the National Coaching Accreditation Scheme (NCAS) set in place by the Australian Baseball Federation and the Australian Sport Commission.

It is a requirement that all coaches within BNSW have a recognised NCAS coaching accreditation.

All coaches will need to complete the following steps:

1. Complete the 'Beginner Coaching General Principles' course online. This is a **MANDATORY** requirement and must be e-mailed to the BNSW Office.
2. Complete the 'Knowledge Assessment', which coincides with your current level of accreditation or the level you want to attempt.
3. Complete the 'Practical Assessment'. This can be organised through the BNSW Office.
4. Complete the 'Code of Conduct'.
5. Payment. BNSW will email an invoice upon completion of the above steps.

All the required documents and information can be found on the Baseball NSW website at the following link:
